Here are my comments as well. Great start and thanks for pulling together Jenny.

Another topic that we should include for the managers meeting is discussing a coordinated response to NWEA's letter. We didn't get to this last week so perhaps this could be at the top of the agenda tomorrow...don't want it to lag too long.

This is great!

I provided a few comments, which are attached. Would be great to provide the managers a version to review by the time of the managers meeting tomorrow at 1 pm (4 pm EST)....

**Subject:** Draft ideas for interim milestones

Hi Everyone – I had some thoughts on interim milestones for the forestry measures and wanted to throw it out to the group. This is meant as a quick big picture idea, not the detailed process/chrono that Jayne's working on and doesn't

include ag or the overall program.

What do you think? Decent starting point? I think it would be good for us to lay out these interim milestones in our letter to the state, or at a minimum, start talking with the Oregon ODF staff about this so we all have our goalposts. Sorry I'm going to miss our call at 10AM.
